

Beef Packs 2025

Prices in effect for beef ordered after January 1, 2025.

For our customers with large freezers and big families, we have a variety of customizable beef packages. All of the larger packs must be ordered prior to the butcher date.

HALF BEEF - \$1,700

Approximately 200 lbs of beef. All cuts from one side of the animal.

MIXED QUARTER - \$850

Approximately 100 lbs of beef, with a variety of cuts from all portions of the animal.

We no longer offer small beef packs.
If our large packs are too large for your household (or freezer),
we recommend the following options:

ORDER WITH FRIENDS

Some customers choose to get a group of friends together and split a larger order. This is a cost-effective way to fill your smaller freezers.

If you choose this option, please choose one person from your group to contact us and arrange payment, delivery, etc.

We will deliver to any one household in the group, but it will be up to you to split the beef evenly amongst your group members.

CONTACT US

We occasionally have small amounts of beef in our freezers. This usually happens in the case of last-minute cancellations. Sometimes, if a large number of customers have contacted us regarding smaller orders, we will set aside a mixed quarter or half to split into smaller orders.

If you are looking for a small amount of beef, contact us through our website and we will let you know if we have any beef available and what we can do to serve you.
