

# Beef Packs 2024

Prices in effect for beef ordered after November 1, 2023.

For our customers with large deep freezers and big families, we have a variety of customizable beef packages. All of the larger packs must be ordered prior to the butcher date.

## **HALF BEEF - \$1,500**

Approximately 200 lbs of beef. All cuts from one side of the animal.

## **MIXED QUARTER - \$750**

Approximately 100 lbs of beef, with a variety of cuts from all portions of the animal.

For our customers with small freezers or small households, we recommend our smaller packs. These should be ordered ahead, but some may be available on short notice.

Unlike larger meat orders, the smaller packs cannot be customized.
